## School Christmas Party 2023

It's that time of year again- Party Time.

This year we have decided to make a few changes to our school Christmas Party. All the children will be having a party on the same afternoon, Wednesday 20<sup>th</sup> December.

During the afternoon we will be having a disco in the hall, party games room, film room and an arts and craft room/quiet room. The children will be able to choose where they will spend their time and move between activities as they choose, during the afternoon.

We will also be providing a snack buffet for all children.

This party including buffet is free, children can bring with them no more than £2, to purchase extra sweets, ice creams and popcorn if they wish. (individual items will be 50p or less).

LEARN, GROW AND ACHIEVE
